

Newport Beach Junior Lifeguard “A’s” in Catalina

Each child in the A division (14-16 years old) will have one opportunity to take this trip. They will choose one day or the other, 7/23/13 or 7/31/13. Explorocean program is providing transportation from the Southern California Marine Institute in San Pedro, to Wrigley Marine Science Center, Catalina, aboard the 45 foot vessel, “Miss Christi.” The boat can hold 35 passengers, and we expect anywhere between 20 – 30 Junior Guards, plus 4 staff members. The children, along with Newport Beach Fire/Lifeguard staff will participate in several activities including hiking, snorkeling, and kayaking. Junior Guards who are not on the trip will join the “B” junior guards in their regular activities in Newport Beach (23rd - report to Newport Pier/ 31st - Report to JGHQ).

0645 Junior Guards arrive via parents/carpool in San Pedro Southern California Marine Institute.

**820 S. Seaside Ave.
Terminal Island, CA 90731

The map displays the driving route from Newport Pier to the Southern California Marine Institute. The route is highlighted in orange and purple, starting from Newport Pier (Point A) and ending at the Marine Institute (Point B). The route follows Newport Blvd, then turns left onto Court St/McFadden Pl, right onto 21st Pl, left onto W Balboa Blvd, and continues straight onto Newport Blvd. It then follows CA-55 N, takes the State Route 73 S exit, and merges onto CA-73 N/State Route 73 N. The route continues onto I-405 N, takes the exit onto I-710 S, and exits onto Ferry St, turning right onto Terminal Way and continuing onto S Seaside Ave. The map shows various landmarks, including Harbor, Wilmington, Banning Park, Reeves Field, and Terminal Island. Major highways like I-110, I-405, and I-710 are clearly marked. The map also includes a compass and a scale bar.
